Please read Part 5, in “The Rules of Racing 2017-2020”, regarding Protests. It is important to each of you to understand what is required for this procedure.

2. No changes to a vessel's PHRF rating will be accepted after the beginning of each series. Obtain your rating from the LMPHRF website at www.lmphrf.org if you do not have one to submit with your application. *“yes we understand you may not have it at sign up “*
3. The committee boat may announce the names of vessels lining up for a race that have not met the above points for eligibility. *(We have had a few boats getting in the way of paying competitors and we believe it to be important to the fleet to know who is a real competitor and who is not an official part of the fleet)*
4. Due to the size of our racing fleet you are **required** to pass by the Race Committee boat and identify yourself prior to the start of the races. This will assist the Race Committee in accurately logging in the participants.
